Dear friends,

This year marks the 20th anniversary of the annual golf tournament to benefit the Ronald McDonald House Montreal. The tournament will be held on Monday June 3rd, 2019 at the prestigious Hillsdale Golf Club in Mirabel.

Rain or shine, we have been lucky to count on your support for the past 20 years. Because of your help, approximately 3,000 families with a sick child can each year stay at the Ronald McDonald House Montreal and benefit from a safe and low-cost accommodation. Because of you, they can spend these difficult moments together as a family.

This year also marks my last as the Honorary Chair of the event. I therefore invite you to join me on June 3rd to make this event an unforgettable one. Our goal for the day is to set a record and raise \$200,000.

You can help us by register for a foursome or make a donation.

It is also possible to sponsor the event or donate items for our very popular silent auction (e.g., hotel packages, bottles of wine, airfare, tickets to shows or sporting events).

On behalf of all the families benefiting from the comfort and serene atmosphere of the Montreal Ronald McDonald House, I graciously thank you.
